PROFILE

Multidisciplinary designer with primary focus on visual and experience design.

With an eye for design, giving great emphasis on achieving a balance between good user experience and beautiful, eye-catching design.

A team player with excellent intermediary between designers and developers in order to achieve parity between design and final product.

Always willing to learn new things and adapt to meet project goals.

EDUCATION

IEK AKMI

Animator, 3D Animation
2011 - 2013

WORK EXPERIENCE

Cacuts

Web Developer & Designer ————— 15 Jan - Present

- I design and develop customized websites using Wordpress as a content management system.
- Additionally provide guidance to clients and our team for UI and UX needs.

3DS Digital Agency

UI/UX Designer, Web Designer ————— Nov 2021 - Dec 2023

- I design customized websites and user interfaces, starting with in-depth client briefs, low-fidelity wireframes, and prototypes, and culminating in high-fidelity interactive prototypes.
- I also provide Graphic Design support, creating logos, marketing materials, and motion graphics as needed.

InYourCity

Graphic Designer ————— Oct 2018 - Nov 2021

- My role primarily involved creating branding, logo design, and marketing materials.
- In addition to my core responsibilities, I had the opportunity to expand my skill set by creating motion graphics and web designs.

Freelance

Graphic Designer ————— Jan 2012 - Feb 2019

- As a freelance graphic designer, I provided a variety of services to clients, ranging from logo design to branding applications on both digital and print mediums.
- My expertise included creating marketing materials, packaging, flyers, stationery, graphics for websites as well as motion graphics.
